

GENERAL EDUCATION DIPLOMA IN SCIENCE (D10400)

The General Education Diploma in Science prepares students to transfer general education courses to a four-year senior institution. The requirements for this diploma are identical to the requirements for the General Education Core listed in the Associate of Science Degree. Completion of the General Education Core allows students to take advantage of the terms of the Comprehensive Articulation Agreement (CAA) which addresses the transfer of students between institutions in the North Carolina Community College System and the constituent institutions of the University of North Carolina.

General Education Core (44 SHC)* The general education core includes study in the areas of humanities and fine arts, social and behavioral sciences, natural sciences and mathematics, and English composition.

***Students who complete the 44-hour general education core are eligible to receive the GENERAL EDUCATION DIPLOMA IN SCIENCE (D10400).**
