

NURSE AIDE I *Refresher*

This course reviews the knowledge and skills in basic nursing care to prepare the individual to take the NC NNAAP Nurse Aide I skills and written/oral competency evaluation. Upon passing the exam, the graduate is listed as a Nurse Aide I on the NC Registry.

To enroll in this course, the prospective student must

- currently be a registered Nurse Aide I from another state;
- be a Nurse Aide I with an expired NC listing;
- be a hospital corpsman who desires to be listed as a Nurse Aide I.
