BACKGROUND CHECK AUTHORIZATION

CONSENT FORM FOR REGISTRATION IN CCCC CLASSES OFFERED ABOARD THE MCAS, NEW RIVER

Recently, the Marine Corps Air Station at New River (MCAS, New River) has increased its security requirements for civilians and contractors wishing to conduct commercial, educational or related business activities aboard this military installation. As a result, civilian students wishing to attend Coastal curriculum extension courses aboard MCAS, New River will need to participate in a criminal background check as part of their enrollment process. Criminal background checks will be conducted at no cost for all prospective students and will only be effective for the specific term of enrollment aboard the base. Each completed student background check will be maintained on file in the College's MCAS, New River Extension Office and reviewed with military officials for the expressed purpose of securing civilian student entry aboard the base. Students who do not wish to participate are encouraged to check with the College for possible alternative course scheduling options.
