CALLING ALL COASTAL CAROLINA COMMUNITY COLLEGE ALUMNI

"If there's time to lean, there's time to clean," said Barbara Branche to the Class of 1979. I remember her well – and so do you! The CCCC dental hygiene alumni are going to honor Barbara Branche for her years of service and dedication in raising all of us RDH's into who we are now. There will be a reception for Barbara on Saturday, September 13 following the continuing education sessions at the Fall Scientific Meeting. It will be a great time to reconnect with your classmates and plan a class reunion after the reception. Barbara will be retiring in May 2009 and we want as many alumni as possible to be there for a cocktail hour to honor her and send her off into retirement in style. There will be a \$20 fee to cover the cost of the room and hors d'oeuvres. Check should be payable to "RDH Reunion" and forwarded to Lynn Young (address below).

Save the date to attend the NCDHA Fall Scientific Meeting at the North Raleigh Hilton, Raleigh, NC on September 13, 2008.

Complete attached sign up sheet & RSVP by **August 8th to:**
Lynn Young, RDH, 1023 Beech Tree Road, Jacksonville, NC 28546.
Home phone (910) 347-1980.
