SPECIAL CIRCUMSTANCES APPEAL 2021-2022

Dear Student,

The primary responsibility for financing a student's education rests with the student and their family. Unless a student is classified as Independent* for financial aid purposes by federal definition, parental income and asset information must be included in determining eligibility. Student (and parents, when applicable) contributions (together making up the Expected Family Contribution or EFC) are calculated using a congressionally mandated needs-analysis formula. The CCC Financial Aid Office recognizes this formula may not always accurately reflect special circumstances for individual students and/or families.

If your situation has changed drastically from the information you provided on the 2021-2022 Free Application for Federal Student Aid (FAFSA) and the situation falls into one of the categories listed in this form, you may submit a complete Special Circumstance Appeal with the required documentation.

Once the completed request is reviewed, it may result in either: 1) a reduction in the base year income and/or assets; 2) the use of income for the current calendar year; or 3) an increase in Cost of Attendance (COA) for the current academic year.

If you wish to proceed, with this Special Circumstance Appeal, please check and complete all applicable sections on the following pages and attach all required documentations, then mail to:

**Coastal Carolina Community College
Office of Financial Aid
444 Western Boulevard
Jacksonville, NC 28546**

An incomplete application will be returned. Please, do not submit this form unless the form is completed and all requested documentation, signatures, and requirements have been met.
