The Program:

In accordance with Session Law 2011-145 Appropriations Act of 2011, Onslow County Schools and Coastal Carolina Community College (Coastal) established the Career and College Promise Program (CCP). The Cost: Approved students pay no tuition; however, students are required to purchase textbooks, and some classes require digital material in lieu of a physical textbook; this is referred to as Inclusive Access. The price of Inclusive Access materials will be automatically billed to your account and must be paid to Coastal's Accounting Office prior to the first day of class. Failure to pay the cost of course materials may result in you being disenrolled from all registered classes.

- As a general rule, high school students are limited to two college courses (7 semester hours credit) per semester.

- Students in the College Transfer Pathways must fulfill requirements of the selected pathway before being eligible to enroll in additional courses. Approval must also be obtained prior to enrollment.
- Students in Onslow County Schools will receive AP weighted high school credit for completion of college courses.
- To remain eligible for continued enrollment, a student must complete a new application each semester documenting a 2.8 unweighted high school GPA and maintain a 2.0 GPA on college coursework after completing two courses.
- Any student whose cumulative Coastal GPA is below a 2.0 will be required to re-take and successfully complete (i.e., "C" or higher) any course(s) in which they did not earn a "C" or higher prior to enrolling in other courses.
