Writing a Successful Satisfactory Academic Progress (SAP) Appeal

Your satisfactory academic progress (SAP) appeal explanation must include the following:

Explain what happened

Why were you unable to maintain satisfactory academic progress?

- What the problem was?
- When the problem occurred?
- How long the problem lasted?
- How this affected your ability to complete your coursework?

Explain what has changed

What corrective measures have you taken or will you take to achieve and maintain satisfactory academic progress?

- What are you doing to prevent this from impacting your satisfactory academic progress?

Tips for Writing Your Appeal Statement of Explanation

Admit the Problem

Take a hard look at your situation to determine what has kept you from making satisfactory academic progress. Perhaps you need help with time management or study skills. Admit the problem and explain how you plan to get help.

Attach any relevant supporting documentation

This may include doctor's statement, copy of hospital/urgent care/physician's bill, obituary, funeral notice, police report or death certificate.

Valid reasons for an SAP appeal:

- Medical emergencies
- Severe health issues
- Severe personal or family problems
- Financial or personal catastrophe – fire, flood, hurricane etc.
- Return for a second degree or certificate, or change of program of study
- Death of immediate family member (child, spouse, wage earner, parent, Etc.)
- Loss of employment
- Student's separation or divorce

Note: Lack of communication or lack of awareness of withdrawal policies, requirements for satisfactory academic progress or unpreparedness for college coursework will not be accepted as a reason for the purpose of an appeal.

FINANCIAL AID APPEALS PROCESS

Any student who becomes ineligible to receive financial aid has the opportunity to appeal for extenuating circumstances. If the student is deemed ineligible for financial aid, he or she may appeal the eligibility decision of the Financial Aid Department by submitting a written request for an appeal, in addition to any supporting documentary evidence showing any extenuating circumstances that caused the student to become ineligible, to the Assistant Director for Financial Aid Services or designee within ten (10) working days from the date of notification. If no action is taken to request an appeal, then the decision not to award financial aid will remain in effect.

Upon receipt of the student's written request for an appeal, the Assistant Director for Financial Aid Services or designee will inform the Chair of the Financial Aid Appeals Committee in writing within ten (10) working days, and the Chair of the Financial Aid Appeals Committee, upon receiving written notification from the Assistant Director for Financial Aid Services, will convene the Financial Aid Appeals Committee within ten (10) working days in order to hold an appeal hearing on the student's request for the reinstatement of financial aid.

Prior to attending the appeal hearing, the student must also meet, as part of the appeal process, with either a Success Coach or an Academic Advisor/Counselor to establish an Academic Success Plan, and the Financial Aid Appeals Committee will review the established Academic Success Plan during the hearing. Both the student and a Financial Aid Department representative must be present at the hearing, and the Financial Aid Department representative must provide documentation to show that the student is not eligible to receive additional financial aid.

After reviewing all available evidence, as well as hearing from not only the student but also the Financial Aid Department representative, the Financial Aid Appeals Committee will render a decision within five (5) working days, and the student will be notified of the Financial Aid Appeals Committee decision in writing. With an approved appeal, the student will receive a Financial Aid Appeal Agreement Form that lists all conditions and stipulations of the approved appeal and must be returned within five (5) working days of notification. A retroactive payment of financial aid for semesters when a student was on academic probation or curriculum completion probation is prohibited. If the student chooses not to attend the hearing, the decision of the Financial Aid Department will stand and be final. A student may be reinstated for financial aid by (1) approval of the Financial Aid Appeals Committee or (2) enrolling at the College without the use of federal financial aid and maintaining satisfactory academic progress consistent with the established College standards. **All decisions of the Financial Aid Appeals Committee are final.**
