Coastal Carolina Community College

Equal Education Opportunity and Equal Employment Opportunity Policy

Coastal Carolina Community College (Coastal), in compliance with and as required by Title IX of the Education Amendments Act of 1972 and its implementing regulations (Title IX) and other civil rights laws, as well as in furtherance of its own values as a higher education institution, does not discriminate on the basis of race, color, national origin, sex, sexual orientation, gender, gender identity, gender expression, pregnancy, disability, age, religion, veteran status, or any other characteristic or status protected by applicable local, state, or federal law in admission, treatment, or access to, or employment in, its programs and activities.

Discrimination and harassment are antithetical to the values and standards of the Coastal community; are incompatible with the safe, healthy environment that the Coastal community expects and deserves and will not be tolerated. Coastal is committed to providing programs, activities, and an education and work environment free from discrimination and harassment. Coastal is also committed to fostering a community that promotes prompt reporting and fair and timely resolution of those behaviors.

In appreciation for their service to this state and country during a period of war, and in recognition of the time and advantage lost toward the pursuit of a civilian career, all eligible veterans as defined in G.S. 128-15 shall be granted preference in hiring decisions to the extent allowed by statute.

It is the policy of this institution not to discriminate on the basis of sex in the admission requirements, educational programs, activities, or employment policies as required by Title IX in the Educational Amendments of 1972.

In conformance with the provisions of the Rehabilitation Act of 1973, and other applicable laws and regulations, Coastal Carolina Community College will not discriminate against any student, employee, or applicant for admission or employment because of physical disabilities.

The main campus of Coastal Carolina Community College has been designed with the elimination of physical obstacles so that all buildings, washrooms, laboratories and classrooms are readily accessible to and usable by those with physical disabilities.

Any student or applicant for admission with a disability who wishes to request some accommodation must contact the Admissions Office and ask for the Accommodation Request Form. If accommodation is not requested in advance in order to provide the College sufficient and adequate time to meet the student or applicant's needs, Coastal Carolina Community College cannot guarantee the availability of a reasonable accommodation when it is needed.

Any employee or applicant with a disability who wishes to request some accommodation must contact the Office of Personnel Services and Workplace Safety and ask for the Coastal Carolina Community College Accommodation Request Form. This form should be supported by medical, psychological, or other appropriate documentation. Once the request is completed and submitted to the Office of Personnel Services and Workplace Safety, the Director will work with the appropriate Vice President to develop an accommodation plan through interaction with the requestor, seeking consultation as necessary. If an accommodation that is within the resources of the College can be provided, components of the plan will be developed in accordance with the specific needs of the applicant/employee based on the documentation submitted. The decision on whether an accommodation will be made is determined by the President or his designee.

Any student or prospective student who believes that discrimination has limited any educational opportunity, or any College employee who believes employment rights have been denied on the basis of discrimination, or any individual who desires information concerning this policy should contact the following designated responsible employee: Affirmative Action Officer and Title IX Coordinator, Henderson Administration Building, (910) 938-6788.

Please be prepared to stay 1 ½ hours for completion of the session. Children are not permitted into the information sessions. All sessions will be held in the A.D. Guy Business Technology Building in room 101.

Online Information Sessions

- Available July 3, 2023 – January 26, 2024
- To attend an online information session, please read the *Information Sessions* section of www.coastalcarolina.edu/academics/programs/health-science/nursing. Print a Nursing Programs Bulletin to follow along with the presentation. You are responsible for adhering to the information in this Bulletin.
- The session must be viewed all the way through (do not click through slides) to receive credit for attendance. You will not be allowed to complete eligibility if your session shows up as “incomplete”. *Do not save the session to your desktop before viewing as this will cause the session to show up as incomplete.*
- When you complete the online information session, there is a quiz that must be completed with a score of 80% or higher to complete eligibility.

Things You Should Know Before You Apply

Upon acceptance into the Coastal Carolina Community College Practical Nursing (PN) or Associate Degree Nursing (ADN) programs, you will be required to:

- Have a physical exam and complete a Student Medical Form documenting a level of physical and emotional health consistent with the ability to practice nursing in an entry-level clinical setting.
- Document that you have had several required immunizations specified on the Student Medical Form.
- Be screened for tuberculosis (both on admission and annually).
- Obtain and maintain current certification in American Heart Association's Basic Life Support for Health Care Providers (often referred to as BLS or CPR).
- Travel at your own expense to out-of-town clinical agency locations (when necessary) in order to complete clinical requirements of the program. You will be expected to make your own arrangements for transportation and meals as necessary for clinical practice rotations.
- Adhere to all aspects of clinical agency dress codes. Most clinical agencies have policies that regulate body jewelry (such as piercings) and/or prohibit visible tattoos.
- At your own expense, have a criminal background check and urine drug screen.
 - These are needed to obtain access to our clinical agencies. The results are provided only to our affiliated clinical agencies. College administration and faculty are not, at any time, allowed to view the criminal background and drug screen results. They do not affect admission decisions, but it is possible that the results may prevent the applicant from participating in the clinical rotations, and thus from continuing in the program.
 - The Board of Nursing in all states also requires fingerprints and a criminal background check prior to issuing a license to practice nursing. A history of felony or misdemeanor convictions could result in denial of a license to practice nursing.

Currently, there are no distance education options for completing the entire ADN or PN programs.

Applicants who are accepted should typically expect to be available Monday through Friday from 8:00 am (6:45 am on clinic days) to 5:00 pm.

Applicants should also be prepared to provide their own transportation to and from clinic sites, which may be outside of the Jacksonville area.

Please note: Coastal's ADN and PN programs are daytime programs.

Requirements for Eligibility – Level 1

It is the applicant's responsibility to ensure that the following eligibility requirements (Level 1) are met before completing an Eligibility Application with any Academic Advisor/Counselor in Student Services (Level 2):

1. Complete the Residency Determination application. The application is available online at www.coastalcarolina.edu.
2. Submit an application to Coastal Carolina Community College. Applications are available online at www.coastalcarolina.edu.
3. View or attend a mandatory Nursing Information Session (see *Important Dates* page for details).
4. Submit your official transcript(s) to the Admissions Office.
 - High school (or high school equivalency)
 - All colleges or schools attended after high school
 - CLEP (College Level Examination) scores
 - AP (Advanced Placement) scores
5. Demonstrate college readiness in both English **and** mathematics by meeting one, or a combination, of the following to show required knowledge in each subject:
 - i. Graduated from any United States high school within the last 10 years with a GPA of 2.8 or higher, in accordance with Reinforced Instruction for Student Excellence (RISE) guidelines.
 - ii. Completed (with a minimum of the grade indicated) or enrolled in one of the following English courses:
 - DRE 098 (P)
 - BSP 4002 (P2)
 - ENG 002 (P2)
 - ENG 011 with ENG 111 (C)
 - iii. Completed (with a minimum of the grade indicated) or enrolled in one of the following Math courses:
 - MAT 070 (C)
 - DMA 010 – DMA 050 (P)
 - BSP 4003 (P2)
 - MAT 003 (P2)
 - MAT 043 (P)
 - MAT 071 (P)
 - iv. Completed (with a minimum of the grade indicated) or enrolled in one of the following:
 - ENG 111 (cannot be concurrently enrolled in ENG 011) *or an equivalent College Composition course (C)*
 - MAT 143, MAT 161, MAT 171 (cannot be concurrently enrolled in MAT 043 or MAT 071), *or an equivalent algebraic College Math course (C)*
 - v. Completed a College approved placement test (e.g., RISE, NC DAP, COMPASS, ASSET, SAT, ACT, or Accuplacer/CPT) and meet the minimum college readiness scores, as provided in the College Readiness Placement Test Scoring Table. Test scores must be earned on or after August 1, 2021.

College Readiness Placement Test Scoring Table

RISE		NC DAP		COMPASS		ASSET		SAT		ACT		Accuplacer/CPT	
English	70 (Tiers 1 and 2)	Reading/English	151	Combined Reading and Writing	151	Combined Reading and Writing	82	Reading/Writing	480	English	18	Combined Reading and Sentence Skills/Next Gen.	166/250-300
Math	70 (Tiers 1 and 2)	DMA 010, DMA 020, DMA 030	7	Pre-Algebra	47	Numerical	41	Math	530	Reading	22	Arithmetic/Next Gen.	55/237-275
				Algebra	48	Elementary Algebra	41			Math	22	Elementary Algebra	55

6. Meet math and chemistry pre-requisites (for ADN only). In response to the COVID-19 pandemic, applicants using course(s) towards points earning a final grade of “PC-19”, “P”, or a passing grade from a Pass/Fail system, in and/or after Spring 2020, will receive a grade point value of “C” for grade point purposes. If written verification received from an educational institution’s Registrar’s Office indicates the numerical value and/or letter grade earned, the applicant may receive an alternative grade point value; however, all verifications must be received prior to the program specific points submission deadline.

Math – One of the following must be complete within three years of entering the program (Fall 2021 or later) or currently in progress (Fall 2023):

- Algebra II in high school with a grade of C or higher (must be 1 high school credit)
- MAT 171 Pre-Calculus Algebra with a grade of C or higher
- MAT 143 Quantitative Literacy with a grade of C or higher

Note: A transferrable college algebraic math equivalent to, or higher than, MAT 171 may be considered. Approval to use such a math for eligibility must be granted by the Academic Advisor/Counselor overseeing nursing and/or the Nursing and Allied Health Division Chair. Statistics will not count as an algebraic math for the Nursing program.

AND

Chemistry – One of the following must be complete or in progress (Fall 2023):

- Chemistry in high school with a grade of C or higher (must be 1 high school credit)
 - *Must have been completed Fall 2019 or later.*
- CHM 090 Chemistry Concepts at a North Carolina community college (no time limit)
- A transferrable, college-level chemistry (a minimum of 4 semester hours credit) from any college or university with a grade of C or higher (a grade of C- will not transfer) (no time limit)

Note: For applicants using course completion to meet placement, both an English and mathematics option must be completed to meet the eligibility requirements, and applicants who are unsure whether or not they meet either the English or the mathematics standards should meet with an Academic Advisor/Counselor. Applicants taking a placement test at a location other than Coastal Carolina Community College must submit official test scores prior to meeting with an Academic Advisor/Counselor to complete an Eligibility Application.

7. Complete the Health Education Systems Incorporated (HESI) A² exam and earn at minimum the following scores:

Minimum Scores for ADN and PN Programs		
Subject Area	Minimum Score	Minimum Average Score
Reading Comprehension	80%	80%
Grammar	80%	
Vocabulary	80%	
Mathematics	80%	

- If an applicant chooses to take the test at a site other than Coastal Carolina Community College, the official scores must be sent from HESI and received prior to completing an Eligibility Application. See the *HESI Exam Details* page for additional information.
- Applicants must request the HESI payment link from an Academic Advisor/Counselor.

Nursing Programs Admission Requirements for Eligibility – Level 2

8. Individuals who have met Level 1 eligibility requirements will meet with any Academic Advisor/Counselor in the Student Center on Coastal's main campus to complete an Eligibility Application. Please arrive no later than 30 minutes before closing.
 - Verification of points is completed by the Academic Advisor/Counselor *after* the application period has ended. Advisors/Counselors will not be verifying points when meeting with the applicant to complete the Eligibility Application.
 - If an applicant currently resides at least 200 miles outside of Jacksonville, North Carolina, they must contact the Academic Advisor/Counselor designated for the Nursing programs at (910) 938-6401 before January 26, 2024 to discuss other arrangements.
9. Submit documentation to earn additional points (see deadlines listed in *Important Dates*).
 - Any documentation for additional points that is received after the given deadline, regardless of the date postmarked, will not be considered.
10. Ensure updated transcripts for courses completed in the Fall 2023 semester (if applicable) are on file at Coastal Carolina Community College by January 26, 2024.
 - Please be aware that if an applicant is completing the math or chemistry course required to apply during the Fall 2023 semester, and the transcript is not on file at Coastal by the deadline (regardless of the date postmarked), the applicant will be ineligible to be considered for the 2024 Associate Degree Nursing program.

HESI Exam Details

Content

- Students will be tested in the following areas: reading comprehension, grammar, vocabulary, and mathematics.

Availability

- The HESI exam may take up to four hours. The exam is available Monday – Thursday (8:00 a.m. or 1:00 p.m.) or Fridays (8:00 a.m.), on Coastal’s main campus. Available appointment times are viewable two weeks in advance. The testing schedule is subject to change.

Registration and Payment

- Applicants must register and pay online for the HESI exam ahead of time by setting up an Evolve/Elsevier account. The estimated cost of the exam is \$50, but is subject to change. A study guide is available for purchase in the College Store.
- Payment must be completed at least 24 hours in advance of the testing appointment.
- Applicants will obtain the payment link from an Academic Advisor/Counselor after completing their Eligibility Application.

Schedule an Appointment

- Applicants should schedule an appointment with the Testing and Placement Center through the Admissions page on Coastal’s website (click on the Placement Testing tile).
- If an applicant must cancel the appointment, they must notify the Testing and Placement Center at least 24 hours in advance. Failure to do so may result in an applicant being unable to make another appointment.
- Due to limited testing space, if an applicant misses or cancels two appointments, they will not be able to reschedule for two weeks after the last missed or canceled appointment.

Scores

- Official scores may be viewed through the applicant’s Evolve/Elsevier account.
- If an applicant decides to test a second time, they must pay the exam fee again (through a payment link obtained from an Academic Advisor/Counselor).
- Applicants may take the HESI twice in an eligibility period (September 1st – August 31st) at Coastal Carolina Community College.
- HESI scores must be completed within three years prior to entering the program to be valid for the application process (on or after August 1, 2021).

Off-Site Testing

- It is the applicant’s responsibility to locate an alternate testing site. Coastal does not have a testing ID to provide to other sites.
- If a student tests at another site, they must request an official transcript to be sent directly to Coastal (through the HESI website) for an additional fee.

Remote/Virtual Testing

- Remote/virtual testing is available through ProctorU. The estimated cost of the exam is \$60 but is subject to change. Please see an Academic Advisor/Counselor for more information.

Americans with Disabilities Act (ADA) Accommodations

- Questions about ADA accommodations may be addressed by contacting the Coordinator for Disability Support Service at (910) 938-6331 or adasupport@coastalcarolina.edu.

Ranking and Selection of Associate Degree Nursing and Practical Nursing Qualified Applicants

Coastal Carolina Community College has a limited number of spaces available in the Associate Degree Nursing and Practical Nursing programs. Every year, the College receives applications from more qualified candidates than the programs can accommodate. In order to be as fair as possible in making admission decisions among so many qualified applicants, Coastal has instituted a point system for ranking applicants.

A qualified applicant is defined as an applicant who meets all Level 2 eligibility requirements and submits a complete Nursing Eligibility Application during the preferred application period (October 4, 2023 – January 26, 2024).

Applicants will be awarded points for grades received in specific Nursing related courses based on the point system that best fits their profile.

Point Systems

There are two point systems:

- **Point System A** – College classes
- **Point System B** – High school classes

Courses taken for points must be completed by the end of the Fall 2023 semester. Points will be awarded for classes completed with a grade of C or higher. Grades of C- will not receive points. Additional points may be awarded for approved license or certification, scores on the HESI exam, and completion of ACA 122 College Transfer Success with a grade of A.

Points Verification

The tabulation of points is completed after the January 26, 2024 deadline to submit documentation. Points verification letters will be mailed to eligible applicants by February 12, 2024. Eligible applicants will be given a specific time frame to be able to question or request a review of the calculated point total. After that time, point calculations are considered accurate and final and will not be recalculated.

Associate Degree Nursing

- Up to 30 highest-ranking applicants will be *accepted* into the Associate Degree Nursing program.
- All remaining qualified applicants will be placed on an alternate list, and ranked in point order.
 - Should a space become available in the program prior to the start of the program, the next qualified alternate will be notified.
- The following letters will be mailed to qualified Associate Degree Nursing applicants on or before March 4, 2024.
 - Acceptance letter – up to 30 highest-ranking applicants
 - Alternate letter – next group of highest-ranking applicants

Practical Nursing

- Up to 20 highest-ranking applicants will be *accepted* into the Practical Nursing program.
- All remaining qualified applicants will be placed on an alternate list.
 - Should a space become available in the program prior to the start of the program, the next qualified alternate will be notified.
- The following letters will be mailed to qualified Practical Nursing applicants on or before March 4, 2024.
 - Acceptance letter – up to 20 highest-ranking applicants
 - Alternate letter – next group of highest-ranking applicants

In the event that applicants have the same number of points, the HESI total score will determine ranking. If there is still a tie, the applicant submitting their Eligibility Application first will be ranked higher (date and time will be recorded on the Eligibility Application form).

Once an applicant accepts admission for any 2024 Allied Health program at Coastal Carolina Community College, all applications on file for any other 2024 Allied Health programs at Coastal will be cancelled.

An applicant who, for any reason, does not enter the 2024 Practical Nursing or Associate Degree Nursing program must reapply for the 2025 Nursing program(s), attend a 2025 Nursing Information Session, and meet all admission requirements to be considered for the 2025 Nursing programs.

Applicants who receive acceptance letter or alternate letter will also receive an Agreement Form. This form must be signed, dated, and returned by the deadline indicated in the letter and on the form. Failure to submit this form by the deadline, regardless of the date postmarked, will result in:

- Disqualification for Associate Degree Nursing (accepted and alternates).
- Placement at the bottom of the alternate list for Practical Nursing (accepted and alternates).

It is every applicant's responsibility to notify the Admissions Office as well as the Academic Advisor/Counselor designated for the Nursing programs of any address and/or phone number changes.

Point System A

Grade points will be valued according to Coastal Carolina Community College's grading scale and will be awarded according to the letter grade on the transcript.

CIS 111 and BIO 106 are not a part of the Associate in Arts or Associate in Science curriculums.

Point System A (continued)

- **Applicants are not required to complete these related courses prior to beginning the program.**
 - *However, it is helpful to the applicant's overall ranking to have completed as many of these courses as possible by the end of Fall 2023 for points.*
 - *Applicants completing related courses prior to beginning the ADN program may not be considered full-time status once accepted into the ADN program.*
- Applicants may be awarded points for equivalent courses completed at another accredited college with a grade of C or higher. In order for these courses to be considered for points, transcripts must be received by 5:00 p.m. on January 26, 2024. Courses with a grade of C- will not count for points.
- Submission of Advanced Placement (AP) or College Level Examination Program (CLEP) scores may satisfy the requirement for a related course.
 - *An applicant who submits scores and takes the course may not receive points for both.*
- For applicants with both AP or CLEP scores and a grade for the same course, the higher number of points will be used.
- In response to the COVID-19 pandemic, applicants using course(s) towards points earning a final grade of "PC-19", "P", or a passing grade from a Pass/Fail system, in and/or after Spring 2020, will receive a grade point value of "C" for grade point purposes. If written verification received from an educational institution's Registrar's Office indicates the numerical value and/or letter grade earned, the applicant may receive an alternative grade point value; however, all verifications must be received prior to the program specific points submission deadline.

Point System B

- Point System B applies to applicants who:
 - are still enrolled in their senior year of high school.
 - **or** who have graduated from high school within three years from the term they will enter the Nursing program (2021 or after for entry into the 2024 Nursing program), but have not yet completed all of the college-level related courses for the Nursing curriculum.
- High school course work may be submitted for points only if the course is worth 1 credit.
- In response to the COVID-19 pandemic, applicants using course(s) towards points earning a final grade of “PC-19”, “P”, or a passing grade from a Pass/Fail system, in and/or after Spring 2020, will receive a grade point value of “C” for grade point purposes. If written verification received from an educational institution’s Registrar’s Office indicates the numerical value and/or letter grade earned, the applicant may receive an alternative grade point value; however, all verifications must be received prior to the program specific points submission deadline.
- **If an applicant will have completed all of the related courses by the end of Fall 2023, Point System A must be used for their application.**

Points are awarded for grades received in the following high school classes for the **Associate Degree Nursing** application:

Point System B: High School Courses for Associate Degree Nursing Application	Grade Point Values

Additional Points for Point Systems A and B

Associate Degree Nursing and Practical Nursing applicants may earn additional points for the following:

- A. License and/or Certification
- B. HESI Score
- C. Completion of ACA 122 College Transfer Success with a grade of A (Point System A only)

A. License and/or Certification

- Applicants may receive points for current license and/or certification in the areas listed below. Other licenses and certifications, health care related or otherwise, will not be considered.

License/Certification	Points
Licensed Practical Nurse (for ADN applicants only)	6
Paramedic	6
Corpsman/Medic*	6
Surgical Technologist	4
Medical Laboratory Technologist	2
NC Certified Nursing Assistant I or II	2
Medical Assistant	2
Phlebotomist	2

** Corpsmen may submit a copy of their Verification of Military Experience and Training (VMET) for work experience points. Primary occupation description must specify "without close supervision".*

- Current license(s)/certificate(s) must be submitted directly to the Academic Advisor/Counselor designated for the Nursing programs by emailing nursingadmissions@coastalcarolina.edu from your Coastal email account. This must be received no later than 5:00 p.m. on January 26, 2024.

Additional Points for Point Systems A and B (continued)

North Carolina Certified Nursing Assistant

- If you are a Certified Nursing Assistant (CNA) listed on the North Carolina Nurse Aide I or II Registry and have no substantiated disciplinary findings, you may submit documentation for points as shown by visiting one of the following websites: www.ncnar.org, www.ncbon.org. To be considered, NC Nurse Aide Registry documentation must be received by the Academic Advisor/Counselor designated for Nursing by 5:00 p.m. on January 26, 2024.

The maximum amount of CNA points to be awarded is 2. Additional points will not be awarded for being on both the NC Nurse Aide I and Nurse Aide II registries.

B. Health Educational Systems, Inc. (HESI) A² Exam

- Students submitting the HESI exam may receive additional points according to the following table:

Cumulative Percentage Range	Points Awarded
93 – 100	15
85 – 92	10
80 – 84	5

- Cumulative scores are not rounded.

C. ACA 122 College Transfer Success (for Point System A only)

- Applicants who take ACA 122 College Transfer Success, and earn a grade of A in the course, will be awarded 2 additional points.

Frequently Asked Questions

Applying

Q: Can I use the scores I received at a previous school?

A: Yes, as long as they are RISE, NC DAP, COMPASS, ASSET, SAT, ACT, or Accuplacer scores and meet the previously specified time requirements. Additionally, the official scores must be sent to Coastal Carolina Community College from the school where testing occurred.

Q: If I attended a Nursing Information Session last year, do I have to attend another one this year?

A: Yes, because the requirements and selection process may differ yearly.

Points

Q: Can I earn points from courses in both the A and the B point systems?

A: No, only one point system may be used.

Q: When is the deadline for which a course must be completed to earn points?

A: Courses to be evaluated for points for the 2024 Nursing programs must be completed during the Fall 2023 semester and official transcripts showing completion need to be received by the office of the Academic Advisor/Counselor designated for the Nursing programs by January 26, 2024.

Q: What is the time frame for which my biology courses are valid for the 2024 Associate Degree Nursing and Practical Nursing programs?

A: Biology courses taken in/after Fall 2019 are valid when applying to the 2024 Associate Degree Nursing program and Summer 2019 are valid when applying to the 2024 Practical Nursing program.

Q: Can my high school equivalency (formerly GED®) scores be used to determine Point System B?

A: No. Only courses actually completed in high school, for which you received an overall grade for performance, can be utilized to determine points.

HESI Exam

Q: I want to try to improve my scores. Can I take just one section of the exam or do I have to retake all of them?

A: You will need to retake the entire exam. The highest total HESI score will be used for eligibility and points.

Q: Am I allowed to take a break during the exam?

A: Yes, but you will need to complete the exam the same day, within the four hour window.

Q: I took the HESI previously. Will I have to retake it?

A: If you took the HESI within three years of applying for the program, your scores are still valid.

Q: How often can I test?

A: Applicants may test twice at Coastal within an eligibility cycle (September 1st – August 31st).

Related Courses

Q: If I take all the related courses prior to applying, will I still be full time during the program?

A: No, refer to the Curriculum Description. This only applies to the Associate Degree Nursing program. Students taking related courses early will eliminate those courses during the scheduled semester. This may affect your total semester credits.

Section II:

Associate Degree Nursing and Practical Nursing Program Information

General Information

Once a student has started in the Associate Degree Nursing or Practical Nursing program, all Nursing related courses not previously completed must be taken as listed in the student's catalog of record.

- For Practical Nursing, course substitutions must be completed prior to the start of the program.
- If a student who has been accepted into the Practical Nursing program prefers to take one of the approved course substitutions, it will be their responsibility to make the changes on their summer semester schedule.

Once accepted in the Associate Degree Nursing or Practical Nursing program, students must meet the following academic standards:

- Associate Degree Nursing students – maintain grades of C+ (77%) or higher on all nursing (NUR) courses and a grade of C- (70%) or higher on general education courses. Students will be disenrolled if requirements are not met. See NUR course syllabi and the *Associate Degree Nursing and Practical Nursing Handbook* for additional academic course requirements.
- Practical Nursing students – maintain grades of C+ (77%) or higher on all nursing (NUR) courses and a grade of C- (70%) or higher on general education courses. Students will be disenrolled if requirements are not met. See NUR course syllabi and the *Associate Degree Nursing and Practical Nursing Handbook* for additional academic course requirements.

Candidates who are admitted to the Associate Degree Nursing or Practical Nursing programs need to be aware of the importance of regular class attendance in order to be successful in their classes. It is vital to have child care arrangements worked out in advance in case of children's illnesses, teacher work days, etc. If excess absences are accumulated, then the student will be disenrolled from the program in accordance with the attendance guidelines in the *College Catalog*.

For patient safety, all students must have accurate dose calculation skills. Each semester, a medication calculation test is given and students must pass with a score of at least 90%. Students who are not able to demonstrate this level of math competency will be dismissed from the program.

Readmission/Transfer Procedure

Any student interested in applying for readmission or transfer must contact the Director, Associate Degree and Practical Nursing Programs to discuss educational goals and plans for readmission/transfer. The Director, Judith Thompson, can be reached at (910) 938-6272 or thompsonju@coastalcarolina.edu.

The student must hold at least a 2.0 GPA to be considered for readmission into the program. The full readmission policy may be found in the current *Associate Degree Nursing and Practical Nursing Handbook*.

A student may not be considered for regular admission into a program in which they are currently enrolled but must follow the readmission policy.

Associate Degree Nursing (A45110) Curriculum Description

The Associate Degree Nursing curriculum provides knowledge, skill, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Course work includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

Coastal Carolina Community College offers an Associate in Applied Science Degree. This has been identified as a limited enrollment program and may involve certain deadlines. See an Academic Advisor/Counselor for additional information.

The appropriate course work is listed below as of this printing date but may be subject to revision for the 2024-2025 academic year.

ADN Related College Courses

Because of the academic demands of the Associate Degree Nursing program, it is to the advantage of the applicant to complete as much of the related coursework as possible before beginning the actual Associate Degree Nursing program.

Candidates may take the following courses at Coastal Carolina Community College or receive credit for equivalent courses with a grade of C or higher at an accredited college. Anatomy and Physiology and Microbiology must be completed within five years of the entry term of the program (Fall 2019 or later).

Students should check with the appropriate Student Services personnel (Financial Aid, Veterans Programs, etc.) to determine how taking these related classes may affect financial aid or veteran's benefits.

Request for Accommodation Information:

Students requesting disability accommodations must self-identify to the Coordinator for Disability Support Services. Students are required to submit current documentation of their disability to the Coordinator for Disability Support Services in order to determine eligibility prior to any implementation of accommodation services. Students requesting accommodations from the College must have a disability, as defined by Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. Self-identification and providing documentation can be initiated at any time; however, the student must allow reasonable time for accommodations to be implemented.

Pregnant students who would like to request accommodations must contact the Coordinator for Disability Support Services. Students will be required to submit current documentation to the Coordinator for Disability Support Services in order to determine their eligibility prior to any implementation of accommodation services.
