

2020-21 Employer Survey Executive Summary

As a follow-up to the Coastal Carolina Community College Graduate Survey, graduates were contacted by telephone, e-mail, and mail to obtain employer information within three months of graduation. One-hundred and sixty-four graduates were in related employment. Of those students, twenty would not give permission to contact their employer. Thirty-seven surveys were not mailed to employers due to lack of employer information, e.g. address. Permission was given to send one-hundred and seven employer surveys. During 2020-21, these employers were surveyed by telephone, and mail to gauge their satisfaction with recently hired graduates. Of the employer surveys sent, fifty-three responses (50%) were received. Work Habits were rated excellent; Performance of Voc/Tech Skills, Communication Skills, Math Skills, Decision Making Skills, and Overall Satisfaction were rated above average by the employers. One-hundred percent of the employers responding said that they would hire Coastal students again.
