Coastal Carolina Community College Placement Testing: Academic Integrity Agreement

Your acceptance of admission to Coastal Carolina Community College, and presence at the testing website, establish your status as a member of the College. As such, you are expected to adhere to the Policies on Student Rights and Discipline found in the College Catalog here: https://www.coastalcarolina.edu/about/consumer-information/code-of-conduct/.

These tests are designed to assess your knowledge in these subjects. The College requires a true assessment of your abilities to enroll you into appropriate classes aimed toward your success. This is why reference materials, books, graphing calculators, cell phones, or assistance of any kind is not permitted. Test materials may also not be copied or shared, as they are the property of the institution. Assessments are to be completed independently.

You are allowed a **4 hour** window to complete the placement test. If you have a documented disability and require an accomodation, please contact the Coordinator for Disability Support Services at ADASupport@coastalcarolina.edu.

Scratch paper is permitted and should be discarded after testing. It cannot be submitted for credit.

A calculator and formula sheet is provided within the EdReady Placement Test on applicable questions.

The College reserves the right to invalidate any test score(s) for any reason. An incorrect placement due to the purposeful misrepresentation of your score will result in the Discipline Procedures, as outlined in the College Catalog.

Ultimately, we want you to succeed and invite you to do your best work, so here are some tips for success!

Tips for Success:

It is recommended that you do not skip any question(s). You cannot go back to previous question(s). In addition, any skipped question(s) are counted as a wrong answer(s).

The purpose of this placement assessment is to place you into the course most appropriate to your academic success.

If you have additional questions or may require accommodations please contact the academic advisor who has assisted you with the admissions process.

Student ID

I _____, understand that I may not:
                  Student Name

- Use multiple internet browser windows while completing the EdReady Placement Test;
- Use print materials, graphing calculators, textbooks, or notes; and
- Complete more than one assessment at a time.

In addition, I understand the purpose of this placement assessment is to place me into the course most appropriate to my academic success.

By proceeding, I hereby certify that I am the student linked to the MyCCCC Portal and student email address I used to log in. I agree not to discuss and/or copy any portion of any placement test or to provide/receive assistance. I also agree this attempt is reflective of my academic abilities without any assistance from other parties and/or resources not sanctioned by the College or EdReady.
