The Associate in Arts Undecided Transfer Pathway is designed to meet lower division general education credits at the most common UNC System four-year institution to which Coastal students transfer.

You are highly encouraged to identify an intended major as well as work closely with your faculty advisor to personalize your course selections and ensure the most optimal path to graduation. If you do not have a faculty advisor, please visit Student Services and complete the "Faculty Advisor Request Form."

The Associate in Arts requires a minimum of 60 semester hours credit (SHC) for graduation; however, pathways may recommend up to 64 SHC for the purpose of satisfying as many Baccalaureate Degree Plan general education requirements as possible.
